

ARE YOU ELIGIBLE FOR A PASSION TO PURPOSE GRANT?

ARE YOU..

- Between the ages of 14 to 30
- Working with a team of other youth volunteers to run your community service initiative
- Identifying a gap or issue in your community and designing a project to help provide a solution
- Volunteering your time, services, and skills to put this project together
- Self designing the project based on your personal interests and ideas
- Not doing this project under the banner of an organization, through your paid or volunteer role
- Able to submit a report to the #PassiontoPurpose team within 30 days of completing your project

IS YOUR PROJECT..

- In service of a community with activities that are aimed to improve that community
- Led by yourself and a team of volunteers
- Addressing a gap or issue in your community by raising awareness or proposing a solution
- Unique: it is your idea and not an organization's existing initiative or renewal of a past initiative
- Set up to happen within 3 months of your application date and will be completed within 6 months of being approved

YOUR PROJECT ISN'T..

- A fundraiser or in support of a political platform
- Intended to make profit or create a business
- Funding an organization's existing program or initiative OR seeking funds to renew a program/initiative that was being run by an organization
- Running under an organization's banner where the organization is promoted as the host of the initiative
